University of Dhaka

Subject: 4th year 2nd semester RME 410 final project report submission

Sir/Madam

We would like to submit the report of our thesis project titled "Development of a Real Time Endoscopic Image Diagnostic System using Deep Neural Network" through our supervisor. We declare that this manuscript is original and the works presented in it are our own. We would therefore like to request you to review our manuscript and consider it for approval.

Sincerely

Candidate 01

Niloy Irtisam
Exam Roll: 14611
